Our Vision

Women and girls have the resources and opportunities to reach their full potential and live their dreams.

Our Mission

Soroptimist improves the lives of women and girls through programs leading to social and economic empowerment.

Come Join Us

We meet at the Country Skillet restaurant on the second and third Tuesdays of the month at 12 noon. Come and see what we are all about and join our chapter.

Local Willits Chapter

Soroptimist International of Willits was chartered April 3, 1971, by a group of local business and professional women who were interested in serving our community. When the Soroptimists were looking to create a fundraising project that would be beneficial to the community as well as the club, the idea of the community phone book was suggested.

For the past 43 years, this well-loved directory has helped raise funds for the chapter's many awards, but has also provided Willits with a helpful and convenient community resource. Once expenses are paid, all monies raised are given back to the community, and businesses know their ads will be seen by all who enjoy the book. We thank all of these businesses, past, present and future.

The Scoop:

Soroptimist International of Willits decided to partner with Willits Weekly, the only locally owned newspaper in Willits, for our 2014 phone book.

This partnership will not only offer additional visibility to our supporters' advertisements, but also helps both the Soroptimists and Willits Weekly to provide local and community-supportive resources to residents of the Willits area.

Willits Weekly will run repeats of ads for businesses choosing to "bundle" their purchase, and those ads will be printed alongside Soroptimist-themed content in the newspaper.

Willits Weekly is also a women-owned and community-focused business in our community, and we are proud to offer their wonderful bundle deal to our advertisers.

Sizes & WW Bundles:

Business Card: \$120

WW Bundle: (+\$40) = \$160 for both

Half Page: \$210

WW Bundle: (+\$100) = \$310 for both

COUNSELING

Introspection through
counseling gives us a chance
to see those places that are
out of balance. Many fears as
well as frustrations can be
examined and released.

LEGAL ADVICE AND COUNSEL

NEW THIS YEAR: You have the legal right to be buried on your own land.

Confidential legal advice and counsel, direction, support and referrals are critical to prevent and solve your legal and other problems. Knowledge of your legal rights, responsibilities and opportunities is essential to achieve your goals and desires. A consultation will often save you time, money and heartache.

If you have or anticipate problems, have questions or concerns about your rights or freedoms, you may wish to make an appointment before things get out of control.

After 39 years providing legal advice and counsel in all parts of Mendocino County, my work continues in many diverse areas, public and private, in court or entirely confidential, as may meet your needs. Included are estate planning, wills, trust and probate, business, criminal, real property, civil rights, inheritance, neighbors, family, employment, and government, as well as navigating the legal maze.

As always, if you are married, have children, and/or own property, an estate plan is very important to your family's future. A will, and possibly a family trust, could meet your needs. It's better not to wait until it is too late.

In addition, I host and produce Radio Curious, broadcast on local and national public radio stations. Radio Curious provides some insight into a curiously vast and diverse array of topics. You may listen to and/or download podcasts at www.radiocurious.org. All programs are free to the curious.

Out on the Town

Soroptimists can frequently be found at many downtown celebrations, including the Hometown Celebration, which kicks off the Fourth of July week, and October's Harvest Moon celebration

A gift for the girls

Soroptimists

books for

Baechtel
Grove Middle
School in
June 2013

A book dedication ceremony on Tuesday, June 4 celebrated a collection of women's studies books Soroptimists International of Willits have presented to the library at Baechtel Grove Middle School.

Soroptimists Vicki Ham (president), Elizabeth Sinofsky (vice president) and Julie Cook joined Baechtel Grove Principal Maria de los Angeles Munguia and Librarian Beth for the dedication.

A plaque reading "Women Studies gifted by Soroptimist Willits" was put on the shelf containing the collection of books.

"Baechtel Grove Middle School is honored that the women of the Soroptimist Willits Chapter have chosen us to help expand the knowledge of our young girls about the possibilities in life," said Principal Mangia. "This collection of women's studies books will be made available in a prominent place in our library to encourage girls to read them and become inspired by the lives of other women. We want to thank the Soroptimists for their efforts to build a stronger Willits community by providing inspiring reading material for our students."

"We are very pleased to be able to work with Baechtel Grove Middle School on this important

project," said Soroptimist President Ham. "The school has always been about improving and expanding the lives of its students through education."

Ham said that when the Soroptimist members discovered the school was in serious need of books and had no books that focused on women, the chapter felt "we had found an ideal way to work with the school."

"Our culture is not very supportive of women or letting them see the full measure of what life has to offer them," Ham said. "Less than 2 percent of written history is about women. On the other hand, mass media is focused on girls and offers images that are not authentic and oftentimes demeaning. These are messages the girls are receiving and creating their reality around."

Ham said the Soroptimists feel that "more girls will be able to dream bigger" if they have access to books about positive role models for women. "And the girls will also realize their community cares about them," Ham said, "and that they can realize their dreams. We hope other community organizations will work with the schools to convey the values of the community of Willits to our children."

If you or someone you know has been trafficked or is being sexually exploited, text "BeFree" (233733) and immediately connect with the **National Human Trafficking Resource Center hotline at 1-888-373-7888**. Representatives are available 24 hours a day, seven days a week.

Sex trafficking constitutes 79 percent of all human trafficking, and most victims of sex trafficking are women and girls.

About two million women and children are held in sexual servitude around the world, but many experts believe the actual number is far higher. Because of its clandestine nature, it is difficult to determine the magnitude of sex slavery. In fact, it is estimated that the number of identified human trafficking victims represents just four percent of the total number of all victims in the world.

Only around five percent of trafficking cases are ever reported.

Sex trafficking happens in both public and private locales. In some cases, trafficking victims are highly visible and engage in street-level prostitution, but in most cases, sex trafficking takes place in underground venues, such as private homes or brothels. Often, public and legal locations such as massage parlors, spas and strip clubs will be a front for illegal prostitution and trafficking.

Estimates suggest that between 700,000 and two million women are trafficked across international borders each year. Adding domestic trafficking would bring the total much higher, to perhaps four million persons per year.

66 percent of all human trafficking victims are women, and 13 percent are girls.

Slavery's New Face: Sex Trafficking of Women & Girls

Slavery is a harsh reality for millions of people the world over who find themselves trapped in an exploitative and abusive system, bought and sold like objects, and treated with no dignity or human decency.

How extensive is modern day slavery's reach? Human rights groups estimate that anywhere between 12.3 million and 27 million people are enslaved in forced or bonded labor, child labor, sexual servitude, and involuntary servitude at any given time.

Slavery exists in a variety of permutations, but all forms of modern day slavery share some common

characteristics: slaves are forced to work; are owned or controlled by another person; are dehumanized and treated as commodities; and are physically or psychologically constrained and unable to escape.

One type of slavery and exploitation that is proliferating at an alarming rate — and that has a particular relevance to women and girls — is sex trafficking/slavery. Seventy-nine percent of human trafficking victims are women and girls. Also, seventy-nine percent of the victims of trafficking end up in sex slavery.

Soroptimists around the world are working to end the enslavement

of women and girls. Sex slavery is caused by gender inequality that allows the demand for sex slaves to flourish — the belief that there is no harm to purchasing the bodies of women and girls. In order to end sexual slavery, Soroptimists use a multi-dimensional approach that includes raising awareness, assisting victims, preventing slavery from happening in the first place, and advocating for better laws and enforcement.

Workplace Campaign to End Domestic Violence

Keeping Women Safe at Work

Established in 1994, the Soroptimist Workplace Campaign to End Domestic Violence is an ongoing effort to raise awareness about a seldom addressed domestic violence issue: domestic violence as a workplace concern.

The Soroptimist Workplace Campaign to End Domestic Violence is a comprehensive campaign providing information, materials and support specifically designed for employees who are the target of domestic abuse, their co-workers and their employers.

If you are being abused, or know someone who is, call:

The National Domestic Violence Hotline

1-800-799-SAFE

Warning signs that a co-worker
**may be a
victim of abuse:**

- Social withdrawal
- Bruises or physical complaints
- Crying or outbursts of anger when on the phone
- Frequent personal calls that leave her upset
- Frequent unexplained absences or lateness
- Decline in job performance
- Lack of concentration

A domestic violence victim may be reluctant to discuss her situation out of fear or embarrassment.

Approach her with extreme care and:

- Don't pressure her to talk about the abuse
- Support her without judgment
- Respect her need for confidentiality
- Reassure her that she is not to blame
- Make sure she is physically safe or has a safety plan
- Provide her with a list of domestic violence resources in the area

Employers can be powerful allies for women experiencing domestic violence. They can:

- Screen emails and telephone calls
- Provide an escort to and from transportation
- Allow the use of leave time for doctors, lawyers or court appointments
- Offer leave without pay if necessary
- Change or alternate work hours or locations
- Institute workplace domestic violence guidelines and policies

Questions and answers about our club

Soroptimist International of Willits is an organization for women who are working to improve the lives of women and girls, in local communities and throughout the world. Almost 95,000 Soroptimists in about 120 countries and territories contribute time and financial support to community-based and international projects that benefit women and girls. The Willits Soroptimists are among them. Let's clarify what this mysterious club is up to, and debunk any myths out there.

1. Do you have to be a business owner?

No, you just have to possess a desire to help women and girls in the community to live better lives. It's great if you are a business owner, but we love housewives and retired ladies, too!

2. Do I have to be a college graduate?

Not at all. We accept all levels of education.

3. How many meetings do I have to go to?

Well, Soroptimist meets the 2nd and 3rd Tuesday every month at the Country Skillet at noon. We do not have mandatory meeting participation, although we would love to see you every week. Come when you can; there's always email, phone and smoke signals to communicate anything that's missed.

4. Does it cost a lot of money to join?

Soroptimist dues are roughly \$109 per year. You also pay \$2 per meeting. That money is to help the club sustain itself. We also may throw a couple of fundraisers a year, but the costs are minimal. We do have a payment plan for people who need one for the dues.

5. What is my time commitment to the club?

Well, that's up to you! If you can only manage a couple of hours per year, that's great. Some people are able to share more time. It really depends on what's happening in your life. It's like the old saying: "Every little bit helps." On average the time commitment is about one hour a week.

6. Is Soroptimist religious, or does it follow a certain political belief?

NO. We do not engage in any of that. We are there to focus on helping women and girls in the community. That's all.

7. Can I be in more than one club?

YES! The beautiful thing about service clubs is that doing this kind of work is so gratifying you'll want to do more! Go for it! We love community super stars!

8. Why women & girls?

Soroptimist means "best for women," and that's what we strive to be – an organization of women at their best helping other women to be their best. As a women's volunteer organization, we feel uniquely qualified to help women and girls live their dreams. It's true that both men and women live in poverty, face discrimination and must overcome obstacles. But throughout history – in every country in the world – women and girls face additional obstacles and discrimination solely because of their gender.

9. What projects are the Soroptimists doing?

Scholarships to graduating students. The Women's Opportunity Award, to support a single parent's or head-of-household's re-entry into education to provide for her family and improve her life. The Violet Richardson Award, recognizing a young woman for her efforts in the community. 8 Schools 1 Dream, the donation of books geared toward women and girls to all eight schools in our district. A co-sponsor of Project Literacy. Brown Bag Lunch, serving lunch to the community on Saturdays in the park. The Community Phone Book. Collection of goods and clothing for Project Sanctuary in Ukiah. And the Willits Frontier Days Sweetheart Contest.

10. How can I contact Soroptimist of Willits about membership?

Call President Elizabeth Sinofsky, 707-972-9320, or come to a meeting on a Tuesday at the Country Skillet.

Soroptimists & the Sweethearts

One of the annual projects for the Soroptimist International of Willits members is volunteering with Willits Frontier Days to help run and coordinate the yearly Sweetheart contest.

Willits Frontier Days is the local Fourth of July celebration, and each year, a local cowgirl is named "Sweetheart," earning the title by selling tickets to the multi-week celebration, demonstrating her horsemanship skills and equestrian knowledge, performing well in the poise and personality section, and eloquently reciting her prepared speech.

Ensuring a fair contest, the Soroptimists step in and help guide the girls, offering assistance with ticket counting and arrangement of the judging events.

Starting in May, girls seeking the title are able to start hitting the streets – usually decked out in bling-coated shirts, hats and belts – to start selling tickets to the Fourth of July events. Contestants receive a percentage back of their tickets sold, and many use these funds for furthering their education, towards hobbies, or to help purchase big ticket items, like their first car.

On judging day, contestants ride a horsemanship pattern, showcasing their

mounted skills, and also must answer questions from multiple judges about their horses, tack, Western life and more. They also must prepare a speech, usually coordinated with the theme of the year's event, sometimes focusing on their family history, sometimes on their future dreams. The speeches are recited in front of family and friends at the "Poise and Personality" lunch. A small fashion show also accompanies the speeches; girls usually enjoy harkening back to Frontier Days past and frequently don antique and vintage clothing for the show.

The Sweetheart Dinner is the big night where, after all tickets are counted and votes tallied, a winner is finally named and crowned by the reigning Sweetheart. An engraved tiara, spurs and sash are presented to the winner, along with a custom Western saddle.

Once named the winner, the new Sweetheart gets to enjoy her duties: helping out in the arena, handing out awards, chasing cattle, riding in the parade, and posing with winners for photos, as well as making appearances at other rodeos in the name of Willits Frontier Days.

All girls under the age of 21 are encouraged to apply.
