We're all in this together.

State Farm® has a long tradition of being there. That's one reason why I'm proud to support Soroptimist International of Willits.

Get to a better State®.

State Farm, Bloomington, IL

our vision

Women and girls have the resources and opportunities to reach their full potential and live their dreams.

our mission

Soroptimist improves the lives of women and girls through programs leading to social and economic empowerment.

come join us

We meet at the Old Mission Pizza on the second and third Tuesdays of the month at 12 noon. Come and see what we are all about and join our chapter.

our willits chapter

Soroptimist International of Willits was chartered April 3, 1971, by a group of local business and professional women who were interested in serving our community. When the Soroptimists were looking to create a fundraising project that would be beneficial to the community as well as the club, the idea of the community phone book was suggested.

For the past 45 years, this well-loved directory has helped raise funds for the chapter's many awards, but has also provided Willits with a helpful and convenient community resource. Once expenses are paid, all monies raised are given back to the community, and businesses know their ads will be seen by all who enjoy the book. We thank all of these businesses, past, present and future.

As the AT&T, Valley and Yellow Pages phone books no longer list residential listings, we are proud to provide this service. We are also happy to include cell phone numbers, too. Please email willitsphonebook@gmail.com to be included or submit changes.

Cover, book design and layout by Maureen Moore of Mphotographress and edited and revised by Danya Davis, Loraine Patton and Willits Weekly's Jennifer Poole. Printing by Western Web.

The Scoop: Phone book ad Sizes & WW Bundle repeats:

Once again, Soroptimist International of Willits decided to partner with Willits Weekly, the only locally owned newspaper in Willits, for our next phone book.

This partnership will not only offer additional visibility to our supporters' advertisements, but also helps both the Soroptimists and Willits Weekly to provide local and community-supportive resources to residents of the Willits area.

Willits Weekly will run repeats of ads for businesses choosing to "bundle" their purchase, and those ads will be printed alongside Soroptimist-themed content in the newspaper.

Willits Weekly is also a women-owned and community-focused business in our community, and we are proud to offer their wonderful bundle deal to our advertisers.

live YOUR dream

education & training awards for women

Formerly the Soroptimist Women's Opportunity Awards

Deadline: Applications are due each year by **November 15**, and are accepted between July 1 and November 15. Award recipients will be notified between January and June. Not all applicants will be selected for awards. Applications can only be submitted to one club. Your application will be reviewed by a panel of judges, but all information will remain confidential and will not be shared without your prior permission.

Step 1: Determine if you are eligible

You are eligible if you:

- Provide the primary financial support for yourself and your dependents. Dependents can include children, spouse, partner, siblings and/or parents.
- Have financial need.
- Are enrolled in or have been accepted to a vocational/skills training program or an undergraduate degree program.
- Are motivated to achieve your education and career goals.
- Reside in one of Soroptimist International of the Americas' member countries/territories (Argentina, Bolivia, Brazil, Canada, Chile, Colombia, Ecuador, Guam, Japan, Korea, Mexico, Panama, Paraguay, Peru, Philippines, Puerto Rico, Taiwan, United States of America, Venezuela).
- Have not previously been the recipient of a Soroptimist Women's Opportunity or Live Your Dream Award.
- Do not have a graduate degree.
- Are not a Soroptimist member, an employee of Soroptimist International of the Americas or immediate family of either.

Step 2: Tell us about yourself

Fill out the award application telling us about yourself. Your information will be kept confidential and shared only with the evaluators unless you give us written permission to use your story to publicize the program. You must use Adobe Reader—a free download—to fill out the form. If you do not use Adobe Reader, your answer will not be saved.

- Select the "Hand Tool" that appears as a small white hand.
- Move the "Hand Tool" and click on the area where you want to type.
- A cursor will appear and you can begin typing to complete the application. (Note: You will not be able to change the type size. Please limit your answers to the space allotted.)
- Once all parts of the form are completed, select "Save As" from the "File" menu and change the file name (for example, "LYDAApplicationLG," where LG are your initials.) Click "Save."

Step 3: Ask people to tell us about you

You will need two different people—who are not related to you—to fill out the reference forms you received with this application. Please email this form to your references and request they email the forms back to you when completed. Only two references will be accepted. Please use the form and do not submit reference letters.

Step 4: Submit your application

Applications are accepted between July 1 and November 15. Once you have saved your application and reference forms, please visit <http://www.soroptimist.org/awards/apply.html> to begin the submission process.

The Sorooptimists:

questions and answers about our club

Sorooptimist International of Willits is an organization for women who are working to improve the lives of women and girls, in local communities and throughout the world. Almost 95,000 Sorooptimists in about 120 countries and territories contribute time and financial support to community-based and international projects that benefit women and girls. The Willits Sorooptimists are among them. Let's clarify what this mysterious club is up to, and debunk any myths out there.

1. Do you have to be a business owner?

No, you just have to possess a desire to help women and girls in the community to live better lives. It's great if you are a business owner, but we love housewives and retired ladies, too!

2. Do I have to be a college graduate?

Not at all. We accept all levels of education.

3. How many meetings do I have to go to?

Well, Sorooptimist meets the 2nd and 3rd Tuesday every month at Old Mission Pizza at noon. We do not have mandatory meeting participation, although we would love to see you every week. Come when you can; there's always email, phone and smoke signals to communicate anything that's missed.

4. Does it cost a lot of money to join?

Sorooptimist dues are roughly \$120 per year. You also pay \$2 per meeting. That money is to help the club sustain itself. We also may throw a couple of fundraisers a year, but the costs are minimal. We do have a payment plan for people who need one for the dues.

5. What is my time commitment to the club?

Well, that's up to you! If you can only manage a couple of hours per year, that's great. Some people are able to share more time. It really depends on what's happening in your life. It's like the old saying: "Every little bit helps." On average the time commitment is about one hour a week.

6. Is Sorooptimist religious, or does it follow a certain political belief?

NO. We do not engage in any of that. We are there to focus on helping women and girls in the community. That's all.

7. Can I be in more than one club?

YES! The beautiful thing about service clubs is that doing this kind of work is so gratifying you'll want to do more! Go for it! We love community super stars!

8. Why women & girls?

Sorooptimist means "best for women," and that's what we strive to be – an organization of women at their best helping other women to be their best. As a women's volunteer organization, we feel uniquely qualified to help women and girls live their dreams. It's true that both men and women live in poverty, face discrimination and must overcome obstacles. But throughout history – in every country in the world – women and girls face additional obstacles and discrimination solely because of their gender.

9. What projects are the Sorooptimists doing?

Scholarships to graduating students. The Live Your Dream Award, to support a single parent's or head-of-household's re-entry into education to provide for her family and improve her life. The Violet Richardson Award, recognizing a young woman for her efforts in the community. 8 Schools 1 Dream, the donation of books geared toward women and girls to all eight schools in our district. A co-sponsor of Project Literacy. The Community Phone Book. Collection of goods and clothing for Project Sanctuary in Ukiah. And the Willits Frontier Days Sweetheart Contest.

10. How can I contact Sorooptimist of Willits about membership?

Call President Divora Stern, onemindbody@gmail.com, or come to a meeting at Old Mission Pizza.

We Meet: 2nd and 3rd Tuesdays at noon at Old Mission Pizza

LEGAL ADVICE COUNSEL AND MEDIATION

TALK WITH A CARING LAWYER

Personal estate planning becomes really important as we age. If you own property, have children, or are married, you and yours would really benefit if you plan ahead, before it's too late. With background information I'll help you choose the estate plan suited to achieve your short- and long-term goals and objectives. This is necessary if you wish to be in control of who receives your assets after you're gone, rather than relying upon state law to decide for you. This could even include plans for a home burial.

Legal advice, counsel, direction, mediation, support or referrals to prevent and/or solve legal and other unpleasant problems have been my stock-in-trade for the past 41 years as an Attorney, Counselor and Mediator here in Mendocino County. My work, public or private or entirely confidential, is uniquely tailored to meet your needs.

Knowledge of your personal legal rights, responsibilities, and opportunities is always very important. Discussion of these rights, duties, responsibilities, freedoms, opportunities and/or anticipated problems is best done on your time schedule not someone else's, so you may plan accordingly. An office visit could well save you time, money and heartache.

Radio Curious, the weekly public radio interview program which I host and produce, in addition to practicing law, is now in its 26th year of broadcast. It may be heard weekly on public radio stations nationwide with 600 plus half-hour programs available to stream or download at www.radiocurious.org. I invite you to take a look and enjoy a listen.

Respectfully,

Barry Vogel

soroptimists international of willits donate Women's Studies books to WHS

Soroptimist International of Willits (SIW) met with Willits High School Librarian Bethany Wilcox to put together a list of books geared towards Women's Studies as part of SIW's "She Reads" girls' book project. SIW hopes to continue providing books to both the Baechtel Grove Middle School, Willits High School and Willits Charter School as part of their continuing project.

"Our culture is not very supportive of women or letting them see the full measure of what life has to offer them," said Vicki Ham, past president of the Willits Soroptimist group. "Less than 2 percent of written history is

about women. On the other hand, mass media is focused on girls and offers images that are not authentic and, oftentimes, demeaning. These are messages that girls are receiving and creating their reality around," she said. The Soroptimists feel that more girls will be able to dream bigger if they have access to books and positive role models for women.

Soroptimist International's mission is to improve the lives of women and girls through programs leading to social and economic empowerment.

SIW meets at Old Mission Pizza on the second and third Tuesday of the month at noon; please come and join us.

SIW also supports such projects and programs as Project Sanctuary, Willits Kids Club, Willits Frontier Days Sweetheart contest, and the "She Reads" girls' book project, just to name a few.

If you or someone you know has been trafficked or is being sexually exploited, text "BeFree" (233733) and immediately connect with the National Human Trafficking Resource Center hotline at 1-888-373-7888. Representatives are available 24 hours a day, seven days a week.

Sex trafficking constitutes 79 percent of all human trafficking, and most victims of sex trafficking are women and girls.

About two million women and children are held in sexual servitude around the world, but many experts believe the actual number is far higher. Because of its clandestine nature, it is difficult to determine the magnitude of sex slavery. In fact, it is estimated that the number of identified human trafficking victims represents just four percent of the total number of all victims in the world.

Only around five percent of trafficking cases are ever reported.

Sex trafficking happens in both public and private locales. In some cases, trafficking victims are highly visible and engage in street-level prostitution, but in most cases, sex trafficking takes place in underground venues, such as private homes or brothels. Often, public and legal locations such as massage parlors, spas and strip clubs will be a front for illegal prostitution and trafficking.

Estimates suggest that between 700,000 and two million women are trafficked across international borders each year. Adding domestic trafficking would bring the total much higher, to perhaps four million persons per year.

66 percent of all human trafficking victims are women, and 13 percent are girls.

slavery's new face: Sex Trafficking of Women & Girls

Slavery is a harsh reality for millions of people the world over who find themselves trapped in an exploitative and abusive system, bought and sold like objects, and treated with no dignity or human decency.

enslaved in forced or bonded labor, child labor, sexual servitude, and involuntary servitude at any given time.

Slavery exists in a variety of permutations, but all forms of modern day slavery share some common characteristics: slaves are forced to work; are owned or controlled by another person; are dehumanized and treated as commodities; and are physically or psychologically constrained and unable to escape.

One type of slavery and exploitation that is proliferating at an alarming rate — and that has a particular relevance to women and girls — is sex trafficking/slavery. Seventy-nine percent of human trafficking victims are women and girls.

Also, seventy-nine percent of the victims of trafficking end up in sex slavery.

Soroptimists around the world are working to end the enslavement of women and girls. Sex slavery is caused by gender inequality that allows the demand for sex slaves to flourish — the belief that there is no harm to purchasing the bodies of women and girls. In order to end sexual slavery, Soroptimists use a multi-dimensional approach that includes raising awareness, assisting victims, preventing slavery from happening in the first place, and advocating for better laws and enforcement.

soroptimists & the sweethearts

One of the annual projects for the Soroptimist International of Willits members is volunteering with Willits Frontier Days to help run and coordinate the yearly Sweetheart contest.

Willits Frontier Days is the local Fourth of July celebration, and each year, a local cowgirl is named "Sweetheart," earning the title by selling tickets to the multi-week celebration, demonstrating her horsemanship skills and equestrian knowledge, performing well in the poise and personality section, and eloquently reciting her prepared speech.

Ensuring a fair contest, the Soroptimists step in and help guide the girls, offering assistance with ticket counting and arrangement of the judging events.

Starting in May, girls seeking the title are able to start hitting the streets – usually decked out in bling-coated

shirts, hats and belts – to start selling tickets to the Fourth of July events. Contestants receive a percentage back of their tickets sold, and many use these funds for furthering their education, towards hobbies, or to help purchase big ticket items, like their first car.

On judging day, contestants ride a horsemanship pattern, showcasing their mounted skills, and also must answer questions from multiple judges about their horses, tack, Western life and more. They also must prepare a speech, usually coordinated with the theme of the year's event, sometimes focusing on their family history, sometimes on their future dreams. The speeches are recited in front of family and friends at the "Appearance, Poise and Personality" event. A small fashion show also accompanies the speeches; girls usually enjoy

harkening back to Frontier Days past and frequently don antique and vintage clothing for the show.

The Sweetheart Dinner is the big night where, after all tickets are counted and votes tallied, a winner is finally named and crowned by the reigning Sweetheart. An engraved tiara, spurs and sash are presented to the winner.

Once named the winner, the new Sweetheart gets to enjoy her duties: helping out in the arena, handing out awards, chasing cattle, riding in the parade, and posing with winners for photos, as well as making appearances at other rodeos in the name of Willits Frontier Days.

All girls 16 to just under 21 years of age are encouraged to apply. Applications are available on the Willits Frontier Days website.

money management tips

for young women

Investing is something many young people have a tendency to overlook. Years ago, few young women gave much thought to how to invest their earnings, as many planned to stop working upon having children. But many young women now continue to work even after they start families, and that has led many to take more active roles in managing their money. Investing can be hard for anyone to grasp, whether they're male, female, young, or old. The following are a few tips young women looking to grow their finances should consider as they begin their careers and start building their financial futures.

Start saving for retirement.

Young women working their first jobs may not be thinking about retirement, but it's still beneficial to take advantage of employer-sponsored retirement programs as soon as they are eligible. If no such program exists, start contributing to a retirement account you set up on your own. If you start saving for retirement right away, you won't miss the money you are depositing into your retirement accounts. But delaying retirement savings can cost you hundreds of thousands of dollars depending on how long you wait to open an account. When investing for retirement, take an active role, monitoring how certain investments are performing and making changes when necessary. Many people, especially young people, choose 401(k) investments

and then stop monitoring them. The more attention you pay to your retirement investments, the more control you can take over your financial future.

Look into local real estate.

Real estate is often a wise investment, and successful young women need not wait until they walk down the aisle to get their feet wet in the real estate market. Research home costs in your area, including single-family homes and condominiums. If you can afford to do so, consider purchasing a home rather than renting an apartment. If you have enough money saved up for a down payment, your monthly mortgage payment may not be much different than your monthly rent, especially if you are willing to take in a roommate to cover your costs.

Use credit wisely.

Many young people, regardless of gender, find themselves facing large amounts of consumer credit debt. Young women can avoid such a fate by only using their credit cards when they know they can afford to pay off the balance immediately. It's important that young women start building their credit histories, but building a bad credit history is more detrimental than having a limited credit history. Resist the urge to engage in retail therapy unless you can pay for items in cash. Using credit wisely now will make you more attractive to lenders down the road, and that can save you thousands of dollars in interest on substantial purchases like homes and automobiles.

Pay down debts.

One of the best ways to achieve financial freedom is to pay down existing debts. Focus first on eliminating high-interest debt, such as credit card balances, and then move on to fixed-rate or low-interest debt, such as student loans. The sooner you eliminate debt, the more financial flexibility you will have.

Peer education Summit

One of the projects Soroptimists International of Willits has taken on is the annual "Peer Education Summit" at Willits High School, formerly known as the "Sister to Sister Summit."

The summit invites Willits eighth-graders to meet with a group of high school students to help orient them to the big step they'll be taking next school year: becoming freshmen at Willits High.

"The Willits Soroptimists generously donated \$2,500 for us to be able to continue to provide the Peer Education Summit," organizer Aurelie Clivaz of the Mendocino County Youth Project said. "Since last year, we have expanded the program to include teen boys, too, so we have renamed the project."

"Sister to Sister" was sponsored by the American Association of University Women for 11 years.

This year, 90 eighth-graders from Baechtel Grove Middle School came to the May 21 workshop at the high school. Thirty-one high school students, boys and girls, acted as facilitators for the day, most of them members of WHS's Peer Counseling program.

Willits Weekly visited with some of the facilitators at a recent celebration lunch, featuring taco makings and a salad with greens

from Clivaz's garden, at her office and hang-out space on the WHS campus.

Students said they were pleased with the summit, and their part in it, and felt the "awesome" orientation was helpful to the eighth-graders. Feedback from the younger kids – collected as part of the evaluation progress – was positive, too. "It's not a miracle thing," Clivaz said. "It's just a one-day thing," but what she hears from eighth-graders is mostly along the lines of: "I learned so much about the high school, and now I'm ready to come here." She was happy that this year's summit also included a tour of the whole high school campus, instead of just taking place in the gym, as in previous years.

Some of the girls remembered being the nervous newcomers themselves when they were entering high school.

"I participated in this program as an eighth-grader," student facilitator Irene Labus said, "and I loved it. It helped out a lot. It was kind of intimidating, though, to hear all the guys talk – not the girls, the girls were fine – but in the "Fishbowl," for me some of the comments the guys made were a little bit crude." Irene felt in recent years the comments had been "toned down" and kids were more aware of "what to say and what not to say."

"Over the years, it's gotten to be like a well-oiled machine, which is really nice," she concluded.

The "Fishbowl" part of the summit – which is many kids' favorite part – is at the end of the day: orientees and facilitators are divided by gender: "The eighth-grade girls listen to the high school girls, and then listen to the high school boys, and vice versa," Clivaz said.

"We go to the junior high a month before, and gather up questions they have for high school students," Clivaz said, and then during the training day the anonymous questions are screened and the facilitators decide which questions get answered.

Some of the questions this year: "Are we allowed to use our phones at the high school? Can you switch classes if you don't like them? What happens if you don't graduate? Do you get to go off campus for lunch? How many periods do we have? What time do we need to be at school? How many sports can you play in a year? Are there any ROTC programs/ police or

scholarship winners from the Class of 2015

Soroptimist scholarship winners hold their awards while wearing the festive sashes and sparkle mortarboard hat pins. From left: Lilja Lamkin, Leslie Leon, Irene Labus, Amanda Mason, Rachel Kanonchoff and Kayla Smith.

Family and friends joined Willits Soroptimist members in honoring six Willits High School award recipients on Tuesday, June 2 during the annual Soroptimist Scholarship and Sweetheart luncheon.

The scholarship committee selected Irene Labus, Rachel Kanonchoff, Lilja Lamkin, Amanda Mason, Leslie Leon and Kayla Smith to receive the 2015 awards. Candidates must provide a certificate of enrollment to receive their award.

Kanonchoff, Lamkin, Mason, Leon and Smith all received \$1,000 awards, and Labus will receive two \$1,250 awards as a part of the Evelyn K. Kennedy scholarship.

"Irene will receive one \$1,250 check now, and another next year, keeping at least a 2.75 grade point average," explained Divora Stern, chair of the Soroptimist scholarship

committee. "The recipient of the Evelyn K. Kennedy scholarship has to be entering into the field of teaching or medicine, and Irene was a great candidate."

All of the girls were selected for their academic excellence and community service, Stern said. "Lilja and Rachel were co-valedictorians for their graduating class; Lilja was also a past Willits Frontier Days Sweetheart and did a great job co-emceeing the Senior Awards night."

Lamkin plans to attend University of Rochester in Rochester, New York, where she will be majoring in biology, doing pre-med. She enjoyed playing volleyball all four years of high school, and softball her freshman and junior year. Kanonchoff will attend UC Davis, where she plans to study civil engineering. She enjoyed playing cross-

country and tennis for the past two years, and was captain of both teams during her senior year. She was also selected as the Girls State delegate last year. Leon enjoyed playing sports, including soccer and cheerleading, and is looking to go into the nursing program at Mendocino College. Mason is also an avid sportswoman, enjoying softball and cheerleading, and although undecided on a major, she is looking to attend Santa Rosa Junior College or the College of the Redwoods. Labus is planning a career as an emergency room nurse and has already been certified in CPR and first aid. Smith is going to Mendocino College to "knock out my pre-reqs," then she will be off to Sonoma State, and UC Davis for medical school.

military-related programs to be involved with? Does everyone get a locker? What is the food like? Are drugs allowed on campus? Do you have to take a shower after PE? Or change in front of people? Is there a dress code?"

Second- and third-year peer counselors help Clivaz plan the summit, meeting weekly to develop the content, create lesson plans for small break-out groups and work on the logistical aspects of setting up the summit. The training day held a couple of weeks

before helps to train the first-year peer counselors to facilitate the small break-out group discussions on topics like alcohol and other drugs, relationships, and self-esteem/body image. The facilitators are trained in how to lead small groups, how to develop a conference from beginning to start, how to practice healthy communication, and how to be role models for the incoming class. Peer counselors plan to do follow-up lessons on the topics discussed at the summer in the upcoming year's freshman health class.

Soroptimists Divora Stern and Loraine Patterson came to the lunch celebration, too, and both praised Clivaz for her work with young people in northern Mendocino County. "Aurelie does such an amazing job," Stern said. "She's so matched with the kids, her heart is totally in the right spot, and the students really relate to her. She's just such an amazing support for the kids, and amazing for this community."
