Soroptimist International of Willits was chartered April 3, 1971, by a group of local business and professional women who were interested in serving our community. When the Soroptimists were looking to create a fundraising project that would be beneficial to the community as well as the club, the idea of the community phone book was suggested.

For the past 45 years, this well-loved directory has helped raise funds for the club's many awards, but has also provided Willits with a helpful and convenient community resource. Once expenses are paid, all monies raised are given back to the community, and businesses know their ads will be seen by all who enjoy the book. We thank all of these businesses, past, present and future.

Cover, book design and layout by Maureen Moore of Mphotographress and proofing/ revisions by Danya Davis, Loraine Patton and Willits Weekly's Jennifer Poole. Printing by Western Web.

THE SOROPTI“WHO”S?

Questions and answers about our club

Soroptimist International of Willits is an organization for women who are working to improve the lives of women and girls in local communities and throughout the world. Almost 95,000 Soroptimists in about 120 countries and territories contribute time and financial support to community-based and international projects that benefit women and girls. The Willits Soroptimists are among them. Let's clarify what this mysterious club is up to, and debunk any myths out there.

**WE MEET: 2ND AND 3RD TUESDAYS AT NOON
AT OLD MISSION PIZZA**

1. Do you have to be a business owner?

No, you just have to possess a desire to help women and girls in the community to live better lives. It's great if you are a business owner, but we love housewives and retired ladies, too!

2. Do I have to be a college graduate?

No, we accept all levels of education.

3. How many meetings do I have to go to?

Well, Soroptimist meets the 2nd and 3rd Tuesday every month at Old Mission Pizza at noon. We do not have mandatory meeting participation, although we would love to see you every week. Come when you can; there's always email, phone and smoke signals to communicate anything that's missed.

4. Does it cost a lot of money to join?

Soroptimist dues are roughly \$130 per year. You also pay \$2 per meeting. That money is to help the club sustain itself. We also may throw a couple of fundraisers a year, but the costs are minimal. We do have a payment plan for people who need one for the dues.

5. What is my time commitment to the club?

That's up to you! If you can only manage a couple of hours per year, that's great. Some people are able to share more time. It really depends on what's happening in your life. It's like the old saying: "Every little bit helps." On average the time commitment is about one hour a week.

6. Is Soroptimist religious, or does it follow a certain political belief?

NO. We do not engage in any of that. We are there to focus on helping women and girls in the community. That's all.

7. Can I be in more than one club?

YES! The beautiful thing about service clubs is that doing this kind of work is so gratifying you'll want to do more! Go for it! We love community super stars!

8. Why women & girls?

Soroptimist means "best for women," and that's what we strive to be – an organization of women at their best helping other women to be their best. As a women's volunteer organization, we feel uniquely qualified to help women and girls live their dreams. It's true that both men and women live in poverty, face discrimination and must overcome obstacles. But throughout history – in every country in the world – women and girls face additional obstacles and discrimination solely because of their gender.

9. What projects are the Soroptimists doing?

Scholarships to graduating students; Live Your Dream Award, to support a single parent's or head-of-household's re-entry into education to provide for her family and improve her life; Violet Richardson Award, recognizing a young woman for her efforts in the community; She Reads, the donation of books geared towards women and girls to schools in the community; Community Telephone Directory; Collection of goods and clothing for Project Sanctuary in Ukiah; Willits Frontier Days Sweetheart Contest; Human Trafficking Awareness and the Peer Education Summit.

10. How can I contact Soroptimist of Willits about membership?

Contact President Divora Stern, onemindbody@gmail.com, or come to a meeting at Old Mission Pizza.

Ready to begin a new life?

live YOUR dream

education & training awards for women

You can do it!

Since 1972, the Soroptimist Live Your Dream Awards program (formerly the Women's Opportunity Awards) has disbursed more than \$25 million to tens of thousands of women who have overcome poverty, domestic and sexual violence, divorce, the death of a spouse, or other life challenges. They are women—just like you—who had the courage and determination to turn their lives around.

Recipients may use the cash award to offset any costs associated with their efforts to attain higher education, including books, childcare and transportation. The program begins on the club level, where award amounts vary. Club recipients become eligible to receive region-level awards, which are granted through Soroptimist's 28 geographic regions. Currently, each Soroptimist region grants one first-place award for \$5,000.

Most regions grant additional \$3,000 awards. The first-place recipients then become eligible for one of three \$10,000 finalist awards.

Soroptimist also offers awards through its headquarters office to applicants who do not live within the territorial limits of a Soroptimist club.

Each year about \$1.6 million is awarded through the Soroptimist Live Your Dream Awards program.

Instructions

Deadline: Applications are due each year by **November 15**, and are accepted between July 1 and November 15. Award recipients will be notified between January and June. Not all applicants will be selected for awards. Applications can only be submitted to one club. Your application will be reviewed by a panel of judges, but all information will remain confidential and will not be shared without your prior permission.

Step 1: Determine if you are eligible

You are eligible if you:

- Provide the primary financial support for yourself and your dependents. Dependents can include children, spouse, partner, siblings and/or parents.
- Have financial need.
- Are enrolled in or have been accepted to a vocational/skills training program or an undergraduate degree program.
- Are motivated to achieve your education and career goals.
- Reside in one of Soroptimist International of the Americas' member countries/territories (Argentina, Bolivia, Brazil, Canada, Chile, Colombia, Ecuador, Guam, Japan, Korea, Mexico, Panama, Paraguay, Peru, Philippines, Puerto Rico, Taiwan, United States of America, Venezuela).
- Have not previously been the recipient of a Soroptimist Women's Opportunity or Live Your Dream Award.
- Do not have a graduate degree.
- Are not a Soroptimist member, an employee of Soroptimist International of the Americas or immediate family of either.

Step 2: Tell us about yourself

Fill out the award application telling us about yourself. Your information will be kept confidential and shared only with the evaluators unless you give us written permission to use your story to publicize the program. You must use Adobe Reader—a free download—to fill out the form. If you do not use Adobe Reader, your answer will not be saved.

- Select the "Hand Tool" that appears as a small white hand.
- Move the "Hand Tool" and click on the area where you want to type.
- A cursor will appear and you can begin typing to complete the application. (Note: You will not be able to change the type size. Please limit your answers to the space allotted.)
- Once all parts of the form are completed, select "Save As" from the "File" menu and change the file name (for example, "LYDApplicationLG," where LG are your initials.) Click "Save."

Step 3: Ask people to tell us about you

You will need two different people—who are not related to you—to fill out the reference forms you received with this application. Please email this form to your references and request they email the forms back to you when completed. Only two references will be accepted. Please use the form and do not submit reference letters.

Step 4: Submit your application

Applications are accepted between July 1 and November 15. Once you have saved your application and reference forms, please visit <http://www.soroptimist.org/awards/apply.html> to begin the submission process.

OFFICIAL SOROPTIMIST CONTENT

PEER EDUCATION SUMMIT

One of the projects Soroptimist International of Willits has taken on is the annual “Peer Education Summit” at Willits High School.

The summit invites Willits eighth graders to meet with a group of high school students to help orient them to the big step they’ll be taking next school year; becoming freshman at Willits High.

The Willits Soroptimists co-sponsor the Peer Education Summit, which started as a teen girls event and now has been expanded to include teen boys.

Approximately 110 eighth graders from Baechtel Grove Middle School and the Willits Charter School attended last year’s workshop on April 21, 2016. Thirty-one Willits High School Peer Counselors students, boys and girls, acted as facilitators for the day. The counseling students were pleased with the summit, and their part in it. Some of the students remembered being the nervous newcomers themselves when they were entering high school.

The “Fishbowl” part of the summit – which is many kids’ favorite part – is at the end of the day; orienteers and facilitators are divided by gender: eighth grade girls listen to the high school girls, and then the high school boys, and vice versa for the boys.

The school coordinator and a couple of peer counselors go to the junior highs a month before, and gather questions they have for the high school students; then during the summit the anonymous

questions are screened and the facilitators decide which questions get answered. An example of some of the questions: “Is it a hard transition from middle school to high school? What is the most important part of high school? What is the best thing about high school? The worst? What are good habits to get into? What electives do you recommend? Do guys like girls who wear make-up? Is your first year of high school nerve racking? What’s the hardest part of getting through freshman year? Is bullying a big problem for freshmen? Who do I talk to if I am bullied? What do I need to think about if I want to go to college or a trade school?”; there were many more great questions like these should be submitted for the summit.

WHS student peer counselors assist the Peer Counseling Coordinator in planning the summit, meeting weekly to develop the content, create lesson plans for small break-out groups and work on the logistical aspects of setting up the summit. The training day held a couple of weeks before the summit assists to train the first-year peer counselors to facilitate the small break-out group discussions on topics like, alcohol and other drugs, relationships, and self-esteem/body image. The facilitators are trained in how to lead small groups, how to develop a conference from the beginning to the event itself, how to practice healthy communication and how to be role models for the incoming class.

"DON'T FORGET TO SPEND TIME WITH YOUR KIDS EVERY DAY. SIT DOWN WITH THEM, ASK THEM ABOUT THEIR DAY AND MAKE SURE THAT YOU REMIND THEM HOW SPECIAL THEY ARE"

- TOM ALLMAN, MENDOCINO COUNTY SHERIFF

Sex trafficking constitutes 79 percent of all human trafficking, and most victims of sex trafficking are women and girls.

About two million women and children are held in sexual servitude around the world, but many experts believe the actual number is far higher. Because of its clandestine nature, it is difficult to determine the magnitude of sex slavery. In fact, it is estimated that the number of identified human trafficking victims represents just four percent of the total number of all victims in the world.

Only around five percent of trafficking cases are ever reported.

Sex trafficking happens in both public and private locales. In some cases, trafficking victims are highly visible and engage in street-level prostitution, but in most cases, sex trafficking takes place in underground venues, such as private homes or brothels.

Often, public and legal locations such as massage parlors, spas and strip clubs will be a front for illegal prostitution and trafficking.

Estimates suggest that between 700,000 and two million women are trafficked across international borders each year. Adding domestic trafficking would bring the total much higher, to perhaps four million persons per year.

66 percent of all human trafficking victims are women, and 13 percent are girls.

If you or someone you know has been trafficked or is being sexually exploited, text "BeFree" (233733) and immediately connect with the National Human Trafficking Resource Center hotline at 1-888-373-7888. Representatives are available 24 hours a day, seven days a week.

HUMAN TRAFFICKING

"Human trafficking is modern-day slavery and involves the use of force, fraud, or coercion to obtain some type of labor or commercial sex act. Millions of people are trafficked in countries around the world, including the United States, generating billions of dollars in profits second only to drug trafficking.

Recognizing key indicators of human trafficking is the first step in identifying victims and can save a life. Some common indicators are:

Does the person appear disconnected from family, friends, community organizations & church?

Has a child stopped attending school?

Has the person had a sudden or dramatic change in behavior?

Is a juvenile engaged in commercial sex acts?

Is the person disoriented or confused – shows signs of mental or physical abuse?

Is the person fearful, timid or submissive?

Does the person show signs of having been denied food, water, sleep or medical care?

Does the person lack personal possessions & appears to have an unstable living situation?

Is the person often in the company of someone whom he/she defers? Someone who seems to be in control, e.g. where they go, who they talk to?

Does the person appear to be coached on what to say?

Does the person have freedom of movement? Can they leave where they live?

SOROPTIMISTS & THE SWEETHEARTS

One of the annual projects for the Soroptimist International of Willits (SIW) members is volunteering with Willits Frontier Days to run and coordinate the yearly Sweetheart Contest, which they have done now for 43 years.

Willits Frontier Days is the local Fourth of July celebration, and each year a local cowgirl is named "Sweetheart", earning the title by selling tickets to the celebration which has multiple events throughout the week leading up to the Fourth of July, demonstrating her horsemanship skills and equestrian knowledge, and performing well in appearance, personality and poise

section, which includes reciting her prepared speech.

Starting in May, girls seeking the title start hitting the streets, decked out in western jeans, shirts, hats and belts, to sell tickets to the Fourth of July events. Contestants receive a percentage of their tickets sold, and many use these funds for furthering their education in order to stretch the scholarship monies they might receive at graduation.

The contestants must prepare a speech, usually coordinated with the theme of the year's event, sometimes focusing on their family history, or sometimes on their dreams of the future. On judging days, contestants

recite their speech in front of family and friends at the Appearance, Personality and Poise event. They also model their western outfit which may be from Frontier Days past and can be antique or vintage clothing from past Sweethearts for this portion of the show. The final portion of Appearance, Personality and Poise is the interview by the judges. At a separate horsemanship event, the contestants ride a horsemanship pattern, showcasing their mounted skills, and answer questions from multiple judges about their horse, tack, Western life and more.

The tickets are counted, tallied and all judging sheets are reviewed by a Certified Public Accountant. At the Sweetheart Dinner, an "invitation only" event, a winner is finally named and crowned by the reigning Sweetheart. An engraved tiara and sash are presented to the winner along with other memorable gifts which may include spurs, buckles, and sometimes even a saddle.

Once named the winner, the new Sweetheart gets to enjoy her duties; assisting in the arena, handing out awards, chasing cattle, riding in the parade, and posing with winners for photos as well as making appearances at other rodeos in the name of Willits Frontier Days.

All girls 16 to just under 21 years of age are encouraged to apply. Applications are available on the Willits Frontier Days website.

SCHOLARSHIP WINNERS

from the Class of 2016

It was a full house on Tuesday, May 17 at Old Mission Pizza when eight award recipients and four Willits Frontier Days Sweetheart contestants and their family and friends joined members of the Soroptimist International of Willits for the 2016 award and scholarship luncheon. Scholarship committee chairperson, Tanya Musgrave, conducted the meeting and introduced the scholarship committee that included herself, Jane McCabe and Barbara O'Rear. Scholarships were given to seven Willits High School graduates, including Olivia Cooper and Hillary VanBezooyen, who received the Evelyn K. Kennedy award, and Kristyna Hewitt, Hannah Friend, Flor Haschack, Gabriel Agenbroad and Shanna Gayski, who received traditional scholarships. The Evelyn K. Kennedy scholarship money was given under the guidelines that it be given to a student who is entering the teaching or medical field for their college education, keeping at least a 2.75 grade point average. The Kennedy scholarships were \$2500 awarded in two payments over two years. The traditional scholarships were for \$1000. All the girls

were selected for their academic excellence and community service.

WILLS, TRUSTS, CHILD CUSTODY MEDIATION, ADVICE AND COUNSEL
TALK WITH A CARING LAWYER

Wills and Trusts become really important as we age. You have the opportunity to direct who would receive your assets after you're gone, rather than relying upon state law to decide for you. If you own property, have children, or are married, you and yours would really benefit if you plan ahead, before it's too late. With background information, I'll help you choose the estate plan suited to achieve your short- and long-term goals and objectives. Plans for a home burial may also be made.

Child custody and other mediation, legal advice, counsel, and direction, to prevent and/or solve legal and other unpleasant problems has been my stock-in-trade for the past 42 years here in Mendocino County. My work, public or private, or entirely confidential, is uniquely tailored to meet your needs.

Knowledge of your personal legal rights, responsibilities, and opportunities is always very important. Discussion of these rights, duties, responsibilities, freedoms, opportunities and/or anticipated problems is best done on your time schedule not someone else's, so you may plan accordingly. An office visit could well save you time, money and heartache.

Radio Curious, the weekly public radio interview program which I host and produce is now in its 28th year. It is broadcast locally on KLLG (97.9 FM) every Sunday at 3:00 p.m. and KZYX (91.5 FM) every Thursday at 1:30 p.m. as well as on over 50 public radio stations nationwide. You may also stream or download the more than 600 half-hour programs on www.radiocurious.org. I invite you to take a look and enjoy a listen.

Respectfully,

Soroptimist International of Willits Donates

WOMEN'S STUDIES BOOKS TO WHS

Soroptimist International of Willits (SIW) met with Baechtel Grove Middle School Librarian Tina Ellis and Willits High School Librarian Stephanie Roellings to put together a list of books geared towards Women's Studies as part of SIW's "She Reads" girls' book project. SIW is currently working with Baechtel Grove Middle School, Willits High School and Willits Charter School as part of their continuing project to purchase books that will empower girls and give them positive role models when reading books. SIW's plan is to add another school each year as this program moves forward.

"Our culture is not very supportive of women or letting them see the full measure of what life has to offer them," said Vicki Ham, past president of the Willits Soroptimist group. "Less than 2 percent of written history is about women. On the other hand, mass media is focused on girls and offers images that are not authentic

and, oftentimes, demeaning. These are messages that girls are receiving and creating their reality around," she said. The Soroptimists feel that more girls will be able to dream bigger if they have access to books and positive women role models.

Soroptimist International's mission is to improve the lives of women and girls through programs leading to social and economic empowerment.

SIW meets at the Old Mission Pizza on the second and third Tuesday of the month at noon; please come and join us.

SIW also supports such projects and programs as Human Trafficking Awareness, Project Sanctuary, Willits Kids Club, Willits Frontier Days Sweetheart contest, and the Peer Education Summit, just to name a few.

— Heidi Ahders, Soroptimist International of Willits

MONEY MANAGEMENT TIPS for young women

Investing is something many young people have a tendency to overlook. Years ago, few young women gave much thought to how to invest their earnings, as many planned to stop working upon having children. But many young women now continue to work even after they start families, and that has led many to take more active roles in managing their money. Investing can be hard for anyone to grasp, whether they're male, female, young, or old. The following are a few tips young women looking to grow their finances should consider as they begin their careers and start building their financial futures.

Start saving for retirement. Young women working their first jobs may not be thinking about retirement, but it's still beneficial to take advantage of employer-sponsored retirement programs as soon as they are eligible. If no such program exists, start contributing to a retirement account you set up on your own. If you start saving for retirement right away, you won't miss the money you are depositing into your retirement accounts. But delaying retirement savings can cost you hundreds of thousands of dollars depending on how long you wait to open an account. When investing for retirement, take an active role, monitoring how certain investments are performing and making changes when necessary. Many people, especially young people, choose 401(k) investments and then stop monitoring them. The more attention you pay to your retirement investments, the more control you can take over your financial future.

Look into local real estate. Real estate is often a wise investment, and successful young women need not wait until they walk down the aisle to get their feet wet in the real estate market. Research home costs in your area, including single-family homes and condominiums. If you can afford to do so, consider purchasing a home rather than renting an apartment. If you have enough money saved up for a down payment, your monthly mortgage payment may not be much different than your monthly rent, especially if you are willing to take in a roommate to cover your costs.

Use credit wisely. Many young people, regardless of gender, find themselves facing large amounts of consumer credit debt. Young women can avoid such a fate by only using their credit cards when they know they can afford to pay off the balance immediately. It's important that young women start building their credit histories, but building a bad credit history is more detrimental than having a limited credit history. Resist the urge to engage in retail therapy unless you can pay for items in cash. Using credit wisely now will make you more attractive to lenders down the road, and that can save you thousands of dollars in interest on substantial purchases like homes and automobiles.

Pay down debts. One of the best ways to achieve financial freedom is to pay down existing debts. Focus first on eliminating high-interest debt, such as credit card balances, and then move on to fixed-rate or low-interest debt, such as student loans. The sooner you eliminate debt, the more financial flexibility you will have.
